CHAMBERLAIN UNIVERSITY

The personal health of our students is of the utmost importance in providing safe and professional healthcare. Maintaining personal health insurance is one way to protect yourself and those you care for in the clinical environment. Proof of health insurance is also required by Chamberlain’s clinical partners.

Chamberlain campus pre-licensure nursing and MPAS students are required to demonstrate proof of health insurance prior to the first day of class and annually thereafter, by completing Option One or Option Two listed below. The deadline is Friday of Week 1 of your first session at Chamberlain and each new policy year thereafter.

For campus pre-licensure and MPAS students failure to provide personal health insurance documentation by the deadline may result in auto enrollment in the Aetna Injury and Sickness Plan. For a listing of current insurance rates, visit chamberlain.edu/studentinsurance. Your Chamberlain student account will be charged. If you need to purchase coverage, review Aetna’s Student Injury and Sickness Plan summary located at chamberlain.edu/studentinsurance to determine which plan best meets your individual needs or visit aetnastudenthealth.com for additional plan information.*

* International students must have a permanent US address in order to enroll in the school-sponsored plan.
